Re: United States v. Gabriel Guillen,
16 Cr 319 (PKC)

Dear Judge Castel,

I am the attorney for Gabriel Guillen, the defendant in the above referenced matter. This case is scheduled for a hearing on a Violation of Supervised Release. The date for that hearing is presently February 5, 2020.

Mr. Guillen is scheduled to be sentenced on an unrelated case before Judge Kimba Wood. That sentence, which carries with it a mandatory minimum term of incarceration of at least 10 years, should take place before the end of February. The court has heard testimony regarding certain factual issues regarding the sentence. Submissions by the parties were completed during the week of December 16, 2019. I expect that Mr. Guillen will be sentenced on that matter sometime next month. I therefore request that the instant case be adjourned to a date convenient with the court during the first week of March.

I have spoken to AUSA Olga Zverovich regarding this request, and she consents.

This is the third time I have requested an adjournment of this case.

Respectfully Submitted,

Patrick Joyce
